

TAKE OFF YOUR CLOTHES

NORTH AMERICA'S **BIGGEST** CLOTHING SWAP!

Meet The SWAP Team: social entrepreneurs creating positive change

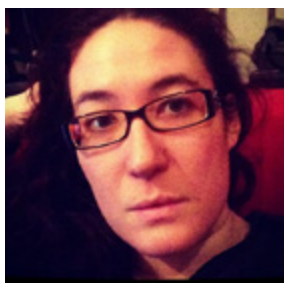

Vanessa Erickson, Calgary Chapter Director

Vanessa started as a volunteer for The SWAP Team in May 2009 and has enriched the Calgary crew with her PR and event management expertise ever since. When it comes to fashion, Vanessa loves unique and vintage finds.

When she's not attending fashion and food events in Calgary, she's teaching a figure skating class, doing hot yoga, or spending time in the mountains nearby.

PattyAnne LePage, Winnipeg Chapter Director

PattyAnne Falconer-LePage is a Human Resources person by day, crafty maven by night who enjoys finding new ways to incorporate fashion, fun and environment into one. She helped start the Winnipeg chapter of The Swap Team in 2011 and in 2012, Winnipeg had its first swap and got hooked! In addition to The Swap Team, she also volunteers with other organizations in Winnipeg, including Kids Help Phone.

Laura Vizbara, Montreal Chapter Co-Director

While Laura claims to know nothing about fashion, she certainly has a way with people. Her fun sense of humour and attention to detail make her an excellent manager. Since 2012, she shares the position of Chapter Director with Samantha Dye. When she's not swapping, you can find Laura acting in Shakespearean plays or on film sets.

Aleece Germano, Founder & Chair of the Board

Aleece held her first clothing swap in her home in 2005. Two years later, after searching for an innovative way to bring people together to conserve, share and have fun, **Take Off Your Clothes** was born!

A diehard swapaholic, she's spent about 5,000 hours sorting clothes, greeting swappers and growing the organization to what it is today.

Jana Piest, Director of Operations

Jana began volunteering for The SWAP Team in 2011, just after she moved to Montreal from Germany. She quickly caught the swapping bug and learned all of the ins and outs of organizing large-scale clothing swaps. Thanks to Jana, not a garment gets lost and everything falls right into place.

Neelan Rach, Brand Strategist

Neelan is a multi-talented Creative Director and Brand Strategist who believes in using marketing for social good. He created the brand identity for The SWAP Team and continues to serve the organization as a member of its board of directors.

Simon Law, Resident Geek

The SWAP Team's master of tech doesn't code without style. And we're not talking about style sheets - we mean bow ties! Whether it's dress-up day or Groundhog Day, Simon uses his flair to keep our web site well groomed and our team focused on the future.

Join us! 200 volunteers and growing:
